

# Tezzle Privacy Policy

The Privacy Policy governs the manner in which Tezzle.tech collects, uses, stores and discloses information received from Users (each of which is a “User”) on tezzle.tech (“Website”). This privacy policy applies to the Website, as well as to all products and services offered by Tezzle.

## Personal Identification Information

We may collect personal identification information from Users in various ways, including, but not limited to, when Users visit our Website, register on the Website, place an order, fill out a form and in connection with other activities, services, functions or resources that we make available on our Website. Users may be prompted for a name and e-mail address. However, Users may visit our Website anonymously. We will collect personal identification information from Users only if they voluntarily provide us with such information. Users can always refuse to provide personally identifiable information, except that this may prevent them from participating in certain activities related to the Website.

## Non-personal identifiable information

We may collect non-personal identifiable information about Users when they interact with our Website. Non-personally identifiable information may include the browser name, type of computer and technical information about Users, means of communication with our Website, such as the operating system used and Internet service providers, as well as other similar information.

## Web browser cookie files

Our Website may use cookies to improve User experience. The User's web browser places cookies on the hard drive for accounting purposes and sometimes for tracking information about them. The User can configure his web browser to refuse cookies or warn you about sending cookies. If they do, note that some parts of the Website may not work correctly.

## How we use the information we collect

Tezzle may collect and use User's personal information for the following purposes:

- To improve customer service: the information you provide helps us respond more effectively to your customer service requests and support needs.
- To personalize the User experience: we can use the information together to understand how our Users as a group use the services and resources provided on our Website.
- To improve our Website: we can use your feedback to improve our products and services.
- For payment processing: we can use the information that Users provide about themselves when placing an order, only to provide services for this order. We do not share this information with third parties, unless required for the provision of the service.
- To launch a promotion, contest, survey or other Website functions
- To send Users information that they agreed to receive, on topics that, in our opinion, will be of interest to them.
- Send periodic e-mails

- We may use your e-mail address to send User information and updates. It can also be used to answer their inquiries and/or questions. If the User decides to subscribe to our newsletter, he will receive e-mails, which may include company news, updates, information about products or services, etc. If the User at any time wants to refuse to receive future emails, he can do it using the waiver form.

## **How we protect your information**

We use appropriate methods of collecting, storing and processing data and security measures to protect against unauthorized access, alteration, disclosure or destruction of your personal information, Username, password, information about transactions and data stored on our Website.

The exchange of confidential data between the Website and its Users occurs over a secure SSL communication channel and is encrypted and protected by digital signatures.

## **Spreading your personal information**

We do not sell, trade or rent personal identification information of Users to other persons. We may provide general aggregated demographic information not related to any personally identifiable information about visitors and Users to our business partners, trusted partners and advertisers for the purposes described above.

## **Third Party Websites**

Users can find ads or other content on our Website that links to the websites and services of our partners, suppliers, advertisers, sponsors, licensors and other third parties. We do not control the content or links that appear on these Websites and are not responsible for the methods used by the websites linked to our Website. In addition, these websites or services, including their content and links, may be constantly changing. These websites and services may have their own privacy policies and customer service policies. View and interact on any other website, including websites that link to our website, is governed by its own terms and conditions and policies.

## **Compliance with the Children's Online Privacy Protection Act**

Protecting the privacy of the very young is especially important. For this reason, we never collect or store information on our Website from those who are under the age of 13, and no part of our Website is intended to attract anyone under 13 years of age. If we become aware that a child under the age of 13 has provided us with personal information, we will immediately remove such information from our files.

## **Changes in the Privacy Policy**

Tezzle may, at its discretion, update this privacy policy at any time. When we do this, we will change the updated date at the bottom of this page. We encourage Users to regularly check for changes to this page, so that we are always aware of how we help protect the personal information we collect. You acknowledge and agree that you are required to periodically review this privacy policy and be aware of changes.

## **Your acceptance of these terms**

By using this Website, you agree with this policy. If you do not agree with this policy, please do not use our Website. Your continued use of the Website after posting changes to this policy will be deemed your acceptance of these changes.
